FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.204 sets out the fee guidelines for Division-specific services.
3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
   - CAC-P12 – Workers' compensation jurisdictional fee schedule adjustment.
   - 790 – This charge was reimbursed in accordance to the Texas Medical Fee Guideline.
   - CAC-193 – Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly.
   - 724 – No additional payment after a reconsideration of services.

Issues

1. What is the maximum allowable reimbursement (MAR) for the disputed services?
2. Is the requestor entitled to additional reimbursement?

Findings

1. Per 28 Texas Administrative Code §134.204 (j)(3), "The following applies for billing and reimbursement of an MMI evaluation… (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be $350." The submitted documentation indicates that the requestor performed an evaluation of Maximum Medical Improvement. Therefore, the correct MAR for this examination is $350.00.

   28 Texas Administrative Code §134.204(j)(4), which states that:

   (D) …
   (i) Non-musculoskeletal body areas are defined as follows:
   (I) body systems;
   (II) body structures (including skin); and,
   (III) mental and behavioral disorders.
   (ii) For a complete list of body system and body structure non-musculoskeletal body areas, refer to the appropriate AMA Guides…
   (v) The MAR for the assignment of an IR in a non-musculoskeletal body area shall be $150.

   Review of the submitted Designated Doctor Evaluation, page 9, finds that the requestor performed an impairment rating evaluation of the "groin/abdominal." Therefore, the correct MAR for this examination is $150.00.

2. The total MAR for the disputed services is $500.00. The insurance carrier paid $500.00. Therefore no additional reimbursement is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is $0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to $0.00 reimbursement for the disputed services.
